**UCSA DEALERSHIP RESELL PROGRAM**

I have read the entire (12 pages) UCSA Dealership Resell Program essay and other essays sent to me and fully understand the program and the implications for me should I continue to pursue the purchase of a UCSA Dealership. I am interested in taking the next step to get the Dealership Buyer's Kit sent to me. UCSA will send the contract and other documents in the Buyer's Kit upon receipt of this returned by fax document. I will have ten (10) days from the receipt of the Buyer's Kit to decide on buying a dealership.
